

Wellington Park Visitor and Recreation Strategy Project

Why?

To identify the visitation and recreational needs and opportunities that can be sustainably provided in the Park and provide recommendations and actions to realise these opportunities for the next 10 years

How?

A **co-design** process involving Park visitors and recreational users, land managers, tourism industry, indigenous community, volunteer 'care' groups and Government.

Who?

You!

The Wellington Park Management Trust want to involve Tasmanians, visitors, Park users, managers, tourism businesses and many others in this co-design process so we can generate great ideas that are practical to implement and sustainable.

When?

Project Start:

July 2019

Phase 1 Consultation:

Completed mid 2020

Phase 2 Consultation:

Late 2022
